StarTech.com

Spec Sheet

The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

USB 2.0 to SATA Converter

StarTech ID: ICUSB2SATA

With simple installation and configuration, this is the perfect SATA storage solution!

Now, you can add any 2.5" or 3.5" SATA or SATA II drive to your computer without even opening the case. It's as easy as plugging into an available USB port, or if used with Windows 98SE the added step of driver installation.

Able to support hard drives sized 80 Gigabytes to 500 Gigabytes, ICUSB2SATA offers data transfer speeds of up to 480Mbps, making it ideal for adding storage to an existing system, or swap files to and from a portable drive.

Applications and Solutions

> Connect any SATA hard drive to a PC equipped with a USB port without taking apart your computer
> The perfect solution for quickly testing and swapping SATA hard drives

Features

> Connect any 3.5' or 2.5' SATA I or II drive to a USB port (Supports USB 1.1 or USB 2.0)
> Take advantage of USB 2.0 data transfer rates of 480 Mbps
> Works with Windows 98SE/ME/2000/XP/2003 and higher
